Waikiki District Services: Four Years of Data Metrics

This month we are focusing on the great performance metrics of the WBIDA crew, and the data statistics that show our achievements, serving the Waikiki community. It is notable that this is the first State of Waikiki report that will include four years of monthly data, enabling us to truly compare the progression of pre-pandemic (2019), first year of the pandemic (2020), second year of the pandemic (2021), and recovery (2022) time periods.

Service Statistics, 2019 to 2022

	March			
	2019	2020	2021	2022
